Who We Are

Vaultrade General Trading L.L.C.

A Dubai-based supply operator connecting certified European manufacturing with regional food industry, retail, and institutional clients.

Our focus is long-term volume alignment — not transactional trade.

We Operate Across

- Industrial Ingredient Supply
- Horeca & Foodservice Programs
- Retail & Private Label Development
- Consolidated Export Programs
- Institutional Programs

Structured Coffee Supply

Vaultrade delivers a controlled portfolio of coffee products designed for:

Retail distributors

HoReCa operators

Beverage
manufacturers

Institutional supply
programs

Private label brands

Hybrid Model

- Distribution of established European products
- Private label & contract production
- Retail & industrial packaging formats
- Structured export execution

☐ Built for continuity. Not opportunistic trading.
